## ABOUT KEC

Kuppam Engineering College was inaugurated by the technology savvy Hon'ble Chief Minister of AP Sri.N. Chandra Babu Naidu in 2001. The institute was promoted by a well-known philanthropist Sri.B.C.Nagaraj,MBA Founder Chairman of BCN group of institutions. KEC is accredited by NAAC and recognized by UGC under 2(f) and 12(b). KEC is graded 'A' by the Government of AP. Dr. N. Sunil Raj, MBBS., is a young and dynamic vice-chairman working with an objective for the phenomenal growth of the institution and for its autonomous status in the near future. The institute is headed by a dynamic principal Dr. S. Sudhakar Babu,Ph.D., who has good academic and administrative experience.

## ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering was established in 2001. We are currently running Undergraduate and Post Graduate Programme with intake of 120 and 18 respectively. Our department focus on comprehensive, interdisciplinary teaching in computer science, so as to enable learning and applying new innovations as the field evolves. It ensures a good academic environment that nurtures excellence, leadership and ethical values for successful professional careers as Engineers, Researchers and Entrepreneurs.

## VISION & MISSION OF THE DEPARTMENT

### VISION

Strive for excellence in Computer Science & Engineering producing competent professionals with ethical values and social responsibility.

## MISSION

The students will be able to achieve quality education by providing competent faculty members, innovative teaching-learning process, computing facilities and Skill Development Training in the field of Computer Science.

- Attaining academic excellence through competent faculty, innovative teaching-learning process and creating centre of excellence in leading areas of Computer Science.
- To create ambiance for effective learning and skill development by promoting research culture with industry institute interaction.
- To inculcate professionalism adherence to ethical and social values.

## ABOUT Anthariksha-2K20

To provide a platform for students to develop technical knowledge by sharing their view in various fields and to improve their presentation skills.

### Events

Technical	Non-Technical
✓ Paper Presentation	✓ Dumb Charades
✓ Poster Presentation	✓ Logo Identification
✓ Coding	✓ Connection
✓ Debugging	
✓ Web Designing	

## Domain for Paper Presentation

(But not limited to)

- Cloud computing
- Neural Networks

- Artificial Intelligence & Machine Learning
- Wireless Ad-hoc networks
- Internet Of Things
- Big Data
- Natural Language Processing
- Network Security and Cryptography
- Virtual Reality

## IMPORTANT DATES

Last date for Paper Submission : 06-03-2020

Notification of Acceptance : 07-03-2020

Symposium Date : 10-03-2020

### Students Coordinators:

- |                                      |                                       |
|--------------------------------------|---------------------------------------|
| ✓ Dinesh Balaji IV Yr.<br>7799165982 | ✓ M. Ayathullah III Yr.<br>8179232509 |
| ✓ Sai Mounika IV Yr.                 | ✓ N.R. Sree harsha II Yr.             |
| ✓ N.K. Charan III Yr.                | ✓ K. Pavithra II Yr.                  |

## GENERAL INFORMATION

- ✓ Registration fee of Rs.200/- for Paper presentation.
- ✓ Registration fee of Rs.100/- for any two event (Other than paper presentation).
- ✓ Cash Prize only for paper presentation.
- ✓ The paper should be in IEEE format
- ✓ Lunch, Tea and Snacks will be provided on the day of symposium
- ✓ Soft copy to be sent to the coordinator through [anthariksha2020@kec.ac.in](mailto:anthariksha2020@kec.ac.in) and hard copy need to be submitted on the day of event
- ✓ Participants should bring their presentation in pen drive
- ✓ Registration form can also be downloaded from the institute web site [www.kec.ac.in](http://www.kec.ac.in)
- ✓ The candidate should register by scanning the QR CODE & also SPOT REGISTRATION is available.
- ✓ Students to wear college ID card and come with formal dress code.
